-VOTER ELIGIBILITY-*Information provided by the Wisconsin Elections Commission***WHO IS ELIGIBLE TO VOTE IN WISCONSIN?**

You must be 18 years of age to vote. All voters in Wisconsin must be at least 18 years of age on the day of the election to be eligible to vote. Persons who are otherwise eligible to vote may register to vote at 17 years of age if they will be 18 by the next election.

You must be a U.S. citizen in order to vote. Citizenship is documented through a U.S. birth certificate or a Certificate of Naturalization, but proof of citizenship is not required to vote. Green card or visa status does not qualify a person to vote in Wisconsin elections.

You must reside at your current address for at least 28 days prior to the election.

(You may register to vote as long as you will meet the 28-day requirement by the day of the election.)

If you have moved to a new address within Wisconsin within 28 days of an election, you may be qualified to vote from your former address until you meet the 28-day requirement at your new address.

If you have moved to Wisconsin from another state less than 28 days before an election, you are only eligible to vote for President and Vice-President in Wisconsin until you achieve the 28 days.

WHO IS NOT ELIGIBLE TO VOTE IN WISCONSIN?

You cannot vote if you are serving a felony sentence. If you are currently serving any portion of a felony sentence, including probation or supervision, you are not eligible to vote in Wisconsin. Once your felony sentence is complete and your rights have been restored your right to vote is also reinstated, but you will need to re-register.

You cannot vote if you've been adjudicated incompetent. If a judge has specifically determined you to be incompetent to vote, you are not eligible to vote in Wisconsin. If you have been adjudicated incompetent, but not specifically incompetent to vote, then you are still eligible to vote.

You are not eligible to vote if you have placed a bet or a wager on the outcome of the election.

You can only vote once. Each voter is eligible to vote only once in any given election. You are not eligible to vote if you have already cast a ballot (regular or absentee) in that election.

If your student ID does not have all of the features necessary to make it acceptable for voting, contact the Department of Academic Affairs or the Dean of Students at your institution. Many schools have a special voting compliant student ID that they will issue to students by request only.

If your school does not have an acceptable ID for voting purposes, there are other photo IDs you can use such as a Wisconsin Driver License, State of Wisconsin ID card, U.S. Passport, Certificate of Naturalization, U.S. Uniformed Service ID, or a Tribal ID.

WHO CAN I CONTACT FOR MORE INFORMATION ABOUT STUDENT ID CARDS?

- A Wisconsin State ID card
- A bank or credit card statement
- A utility bill (gas, electric, phone)

WHEN DO I HAVE TO PROVIDE PROOF OF RESIDENCE?

All voters **MUST** provide a Proof of Residence Document when registering. If you register to vote by mail, in-person in your clerk's office, or at your polling place on Election Day, you need to provide a Proof of Residence document. If you register online at <http://myvote.wi.gov>, your valid State of Wisconsin driver license or State of Wisconsin ID card issued by the Wisconsin Department of Motor Vehicles (DMV) qualifies as a valid Proof of Residence document.

*If you are an active military voter, or a permanent overseas voter (with no intent to return to the U.S.) you do not need to provide a Proof of Residence document.

WHAT DOCUMENTS CAN I USE AS PROOF OF RESIDENCE FOR REGISTERING?

All Proof of Residence documents must include the voter's name and current residential address.

- A current and valid State of Wisconsin Driver License or State ID card.
- Any other official identification card or license issued by a Wisconsin governmental body or unit.
- Any identification card issued by an employer in the normal course of business and bearing a photo of the card holder, but not including a business card.
- A real estate tax bill or receipt for the current year or the year preceding the date of the election.
- A university, college, or technical college identification card (must include photo) **ONLY** if the voter provides a fee receipt dated within the last 9 months or the institution provides a certified housing list to the municipal clerk.
- A gas, electric, or telephone service statement (utility bill) for the period commencing no earlier than 90 days before Election Day.
- Bank or credit card statement.
- Paycheck or paystub.
- A check or other document issued by a unit of government.

- Residential lease that is effective on date of registration. (Not valid if registering by mail.)
- An intake document from a residential care facility such as a nursing home or assisted living facility.

This is not a comprehensive list, but categories of the most common types used by voters.

Only a current and valid (unexpired but can be suspended or revoked) Wisconsin driver license or Wisconsin state ID card with the voter's current name and address qualifies as **Proof of Residence**.

-ABSENTEE VOTING IN WISCONSIN-

Information provided by the Wisconsin Elections Commission

WHAT IS NEW WITH ABSENTEE VOTING AND PHOTO ID?

A copy of a valid photo ID must be provided when voting by absentee ballot unless you are a type of voter that is either exempt by statute or may have an alternative process to verify your identity.

WHO DOES NOT HAVE TO SHOW PHOTO ID WHEN VOTING ABSENTEE?

Voters who are exempt from providing photo ID:

- **Military voters.** This includes any member of the U.S. Army, Navy, Air Force, Marine Corps or Coast Guard, the Commissioned Corps of the Federal Public Health Service or the Commissioned Corps of the National Oceanic and Atmospheric Administration, member of the merchant marine, peace corps volunteers, civilian employees of the U.S. serving outside the U.S., and their spouses and dependents.
- **Permanent Overseas voters.** Overseas voters are persons who resided in your municipality and have left the United States permanently with no intent to return. This may include dependents over the age of 18 whose parents' last residence was in Wisconsin. Note that if you are temporarily overseas and you have intent to return, you are not considered an overseas voter, and you must provide Photo ID with your absentee application or ballot.
- **Confidential Electors.** Confidential electors have presented a court order, a letter from law enforcement, a letter from the staff of a domestic abuse shelter, or a letter from the staff of an agency assisting victims of domestic abuse, to their municipal clerk.

WHO MAY HAVE AN ALTERNATIVE TO PROVIDING A COPY OF THEIR PHOTO ID?

Types of voters who may have their witness verify their identity rather than provide a copy of their photo ID:

- **Indefinitely confined voters** may provide a copy of their photo ID, but may also choose to have their absentee ballot witness verify their identity by signing the absentee ballot certificate envelope. These electors must indicate on their application form that they are indefinitely confined because of age, illness, infirmity, or disability.
- **Voters residing in care facilities visited by Special Voting Deputies** (usually **nursing homes**) may provide a copy of their photo ID, but may also have the Special Voting Deputies verify their identity by signing as witnesses on the voter's absentee ballot certificate envelope.
- **Voters residing in other care facilities** that are eligible for Special Voting Deputy procedures, but are **not visited by Special Voting Deputies**, may provide a copy of their photo ID or ask an authorized representative of the facility to verify their identity by signing the absentee ballot certificate envelope. If the voter is indefinitely confined, the signature of an authorized representative is not required, but a witness must still sign the certificate envelope (see above).

DO I NEED TO PROVIDE PHOTO ID WHEN VOTING ABSENTEE?

Types of voters who MUST provide photo ID with their absentee ballot applications:

- **In-person voters in the clerk's office** must show their original photo ID to the clerk or staff. The staff member will record on the absentee certificate envelope that the voter provided photo ID.
- **Regular absentee voters requesting a ballot** must provide a copy of their photo ID with their absentee ballot request. Once photo ID is provided, the voter no longer has to provide photo ID with subsequent absentee ballot requests, until they re-register (their name or address changes).
- **Electors that have moved within Wisconsin less than 28 days before the election** must vote from their previous address. They may vote at the polling place for their previous address, or by absentee ballot in the municipality of their previous address.
- **Presidential-only electors, hospitalized electors, and sequestered jurors** have special absentee voting requirements. They will need to show a photo ID, but should also contact their municipal clerk for assistance.

WHAT IF I DON'T SUBMIT PHOTO ID WITH MY ABSENTEE APPLICATION?

- Voters who are required to submit photo ID with their absentee application will not be sent an absentee ballot.
- Some voters have alternatives to providing a copy of the photo ID to be sent a ballot. These voters must either return a copy of photo ID with their ballot or meet any alternative requirements. Failure to do so may result in the ballot being rejected or treated as a provisional ballot. Provisional voters have until 4:00 p.m. on the Friday after the election to submit the required photo ID to their municipal clerk. If the photo ID is received by the deadline, their ballot will be counted. If photo ID is not received by the deadline, the ballot will not count. Voters can check the status of their provisional ballots by contacting their municipal clerk, or checking the MyVote Wisconsin website at <http://myvote.wi.gov>.

-ELECTION DAY VOTING IN WISCONSIN-

Information Provided by the Wisconsin Elections Commission

WHAT SHOULD I EXPECT AT THE POLLS ON ELECTION DAY?

- 1) Remember to bring an acceptable photo ID to the polling place. You should also bring along proof of residence, if you need to register at the polls.
- 2) Voters should have their photo ID ready when they enter the polling place.
- 3) Check in with the greeter, if your polling place has one. Greeters will usually be able to verify if you are already registered or need to fill out a new registration form. If the polling place covers multiple wards, the greeter will be able to direct you to the correct line.
- 4) Fill out a new registration form if you are a new Wisconsin voter or if you have changed your name or address since you last voted. You will have to provide proof of residence when registering. You do not have to show your photo ID when registering, but you will have to show photo ID before being issued a ballot.
- 5) Poll workers will ask you to state your name and address. This is not a new requirement of the voter photo ID law. It has always been a requirement.
- 6) Poll workers will ask you to show your photo ID.
 - The voter's photo ID must be one of the acceptable documents specified by law.
 - The voter's photo ID must be current. For State of Wisconsin Driver License or State ID cards, Military IDs, and Passports, they can be expired, if they expired since the last General Election (currently November 6, 2018).
 - The voter's photo ID must reasonably resemble the voter.
 - The voter's photo ID must have the voter's name on it.
 - The voter's photo ID must be an original copy.
- 7) The name on the photo ID must conform to the voter's name on the poll list. An exact match is not necessary. For example, Bob conforms to Robert, Sue conforms to Susan, and Smith-Jones conforms to Smith if the voter has recently been married.
- 8) Poll workers will ask you to sign the poll list. If you are unable to sign because of a physical disability, you are exempt from this requirement. You should inform a poll worker that you are unable to sign.
- 9) Poll workers write the Election Day voter number in the poll list, and issue you a ballot.
- 10) If you do not have a photo ID, you are allowed to vote by provisional ballot. You can bring your photo ID to the polling place by 8:00 p.m. You may also present your photo ID to the municipal clerk in person by 4:00 p.m. the Friday after the Election. If you provide photo ID by the deadline, the ballot will count. If you do not provide photo ID by the deadline, your ballot will not count.

PLEASE BE UNDERSTANDING AND KIND TO THE POLL WORKERS!
